

**IAABO BOARD 52  
WESTCHESTER COUNTY, NEW YORK**

**Dennis Hurlie Sportsmanship Award  
Nomination Form  
2009 – 2010 Season**

In 2002, IAABO Board #52 decided to create an award in honor of Dennis Hurlie who is a former president of the board and dedicated member for over 37 years. He exemplifies the ideals of our association by promoting the welfare of the game, maintaining the highest standards of basketball officiating and, most important, encouraging the spirit of fair play and sportsmanship.

Therefore, any active member of IAABO Board 52 is invited to nominate a **Westchester County Boys Varsity High School Basketball Team** that best exemplifies the attributes mentioned above. Specifically, we are looking for a team that demonstrates hard work, fair play, cohesiveness, team spirit, and sportsmanship. The team does not necessarily need to have had a winning season.
